MEMORANDUM: Request for Transfer of Dominion Lands.

Re: J. R. Burnstad, No.883380,
N.E.¼ 12-36-31-W.4th M. - S.C.
- - - - - - - - - - - - - - - -

The above named settler secured advances from the Board for permanent improvements and stock and equipment totalling $3500, the Board taking a charge upon his unpatented soldier grant above described. Owing to such charge, patent to the soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Burnstad requesting that patent to his soldier grant should be issued in favour of the Board. Mr. Burnstad states that he has completed all duties in connection with his soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated the 21st December, 1925.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921,(P.C.1881), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the Provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.E.¼ 12-36-31-W.4th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

Chairman.

TO WHOM IT MAY CONCERN:

WHEREAS it is provided by the Regulations for the transfer of certain lands to the Board where settlement duties com leted, approved by the Governor in Council on the 4th day of June, 1921, (P.C.1821), that in the event of a settler who holds any Dominion Land on which a charge has been imposed, constituted or created by or under the Soldier Settlement Act, 1919, or the former Act, having complied with the conditions of his entry to entitle him to receive Letters Patent for the land but for the charge imposed against it as aforesaid, the Minister, at the request of the Board, may transfer to the Board the land so held by the settler;

Sir,

I beg to inform you that your homestead and pre-emption entries for the South half of Section 25, Township 24, Range 12, West 4th Meridian are hereby cancelled in accordance with the declarations of abandonment which you executed on the 31st August last. If at any future time you are in a position to complete the required duties and wish to secure a fresh homestead entry it will be necessary for you to communicate with the Secretary, Department of the Interior, Ottawa, over your own signature, asking for the necessary authority so that the transaction will be on record here.

S.S.B. File #4-4321.

OTTAWA - 13th February, 1928.

Memorandum:

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: Robert Rollings,
N.W. ¼ 35-64-23 W. 4th (Hsd.)

The above-described land is the unpatented homestead of this settler.

The settler has obtained advances from the Board totalling $1628.28, as follows: stock and equipment, $753.90; permanent improvements, $856.20; special advances $18.28. As security the Board holds a charge on the above-described land. The only other land security held by the Board is a charge on the S.E. ¼ 34-64-23 W. 4th, the settler's unpatented soldier grant.

The Board is informed that the settler has completed the duties in connection with his homestead, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Secretary of the Department of the Interior to the settler, dated the 5th March, 1927.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1321, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the N.W. ¼ 35-64-23 W. 4th be vested in the Soldier Settlement Board.

A Vesting Order for the Minister's signature is attached hereto.

The Honourable Charles Stewart,
Minister of the Interior,
OTTAWA.

Chairman.

AND WHEREAS, pursuant to an application made by the said Robert Rollings, who is residing on the said land, The Soldier Settlement Board of Canada has requested the Minister to transfer the said land to the Board to be dealt with by it in accordance with the regulations approved by the Governor in Council on the 4th day of June, 1921, P.C. 1821;

Sir,-

Referring to the cancellation proceedings outstanding against your homestead and pre-emption entries for the S. ½ of Section 18, Township 22, Range 1, West of the 4th Meridian, I am to say that the Department is in receipt of a report upon the land by a Homestead Inspector, from which it appears that you are seriously in default with regard to the requisite residence duties. It appears that you lived upon the half-section for less than three months during the year 1912, and that you have only lived thereon for three months during the present year. This is very unsatisfactory and the Department would be quite justified in cancelling your entries.

Before taking any further action in the matter, however, I am to ask you to write here, within twenty days from this date, stating clearly what your intentions are for the future with regard to completing the necessary settlement duties.

A favourable reply will be expected within the time specified.

Where X is in the column opposite any month, it is to be taken that nothing during that month has been performed.
Where No. of Acres is given opposite any month, it is to be taken that breaking has been performed during a portion of the month.

If the Homestead Inspector's report is correct, you have yet to perform two more periods of six months each.

Furthermore, I may state that you have apparently only twenty acres broken and under cultivation, which is ten acres short of the required amount, which shortage will have to be made up before you will be in a position to apply for patent.

Referring to the statutory declaration which you executed on the 27th ultimo, I beg to inform you that before you can be definitely advised as to your position in the matter of making a successful application for patent for your homestead, the Department will require to be furnished with definite information with respect to the residence performed.

In your declaration now acknowledged, you claim residence from the 16th February to the 20th May, 1912; from the 20th June to the 20th August, 1912; from the 1st November, 1911 to the 1st January, 1913; from the 1st May to the 20th September, 1913, and from the 20th March to the 20th August, 1914.

The Homestead Inspector's report in connection with Mr. Harvey's homestead entry, the S. There is a letter on the homestead file from Mr. Harvey dated 24th ultimo, stating that he never made any arrangements in regard to cancelling his pre-emption; that as he could not afford to break the land on account of illness Mr. McNeill performed the [illegible] and took the grain in payment; requesting patent for his homestead as soon as possible; that he had witnesses that he [illegible] in all his time and could get more if needed.

To The Honourable Dr. Roche, Minister of the Interior.

We the undersigned farmers and business-men of this district hereby petition you to reconsider the cancellation of the NW¼ 18-22-I-4 which is or was the pre-emption of William Henry Harvey, for the following reasons: namely;

(I) The land was not properally subject to cancellation, the above mentioned entrant not being absent from his homestead for six months, also that he had the required amount of breaking done and crop sown.

(2) That he has been very hard up and has had considerable sickness in his family. The sickness of his child called him to Ontario where his wife was, with his mother.

(3) That we feel that the Agent of Dom. Lands at Medicine Hat has acted in too summary a manner in not with holding the posting of this land [redacted] received a statment from the said entrant before the sixty days had expired. We feel that when you have been properally informed in the matter that you will agree with your petitioners, that Mr Harvey has been harshly dealt with in the matter.

Kirdly see what can be done in the matter for him as I feel that I am to a considerable extent responsible/

Dear Sir:

Re NW 18-22-1-4 Harvey Pre.

Herewith enclosed petition in regards to above land and I may say that I have been, unwittingly, to blame in the matter.

Mr. Harvey came into the office on the 11th August and made out a defence against cancellation proceedings which had been instituted against the above land, but he stated that he was desirous of proving up the preemption. He had not had word from Ottawa about his application for patent on the homestead and as he had heard indirectly that the inspectors report was unfavourable. I told him that he had better wire Ottawa and find out what was the delay. He did so and had the defence held up pending a reply, which if satisfactory he would apply for patent on the preemption. The papers became mislaid and I thought Harvey had forwarded them and he thought I had.

It would be too bad if he looses the land over the mistake. May say that I wired Medicine Hat when I found the papers and forwarded them in at once.

I am enclosing herewith a copy of a letter received from the Sub-Agent of Dominion Lands, attached to which will be found a Petition praying for the reinstatement of Mr. W. H. Harvey in his entry for the N.W.18-22-1-W 4th Meridian. My knowledge of this matter is limited but I understand cancellation proceedings were taken against the entry for this quarter section and a defence was furnished to the Sub-Agent of Dominion Lands at Empress. This defence was not forwarded to the Agent of Dominion Lands at Medicine Hat in order to arrive there before the 60 days cancellation period expired and in view of this the entry was cancelled by the Agent, and I am informed the applicant for cancellation was given the usual 30 day option. It is claimed that Mr. Harvey's entry for this land should not have been cancelled, on the grounds that he had complied with the Regulations. Under the above circumstances would you be good enough to take whatever action you deem necessary in this instance? Mr. Harvey's defence I believe, should be on file at Head Office before now.

Application for patent
not recommended.

N.W.¼ 18-22-1-W. 4th M.
Pre-emption William H. Harvey.
Date of entry 28th August, 1911.

This is a case where the residence claimed by the homesteader in his application for patent is not confirmed by the Homestead Inspector.

The entrant in his application for patent executed on the 28th of November, 1916, claims the performance of three full terms of residence as shown on form No. 68 marked.

A report having been previously made by Mr. Homestead Inspector Switzer that very little residence had been performed a further report was asked for before dealing with the application for patent. Inspector Switzer again reported on the 11th of June, 1917, showing that the entrant had not performed one term of six months residence and that Mr. Harvey had rented his land to a Mr. McNeil.

On the 13th of November, 1917, the homesteader executed a supplementary statement claiming short periods of additional residence, but none that would count to his advantage, and instructions were, therefore, given to obtain another report which has not yet come to hand.

Cancellation proceedings were taken against the homestead entry on the 10th of July, 1912, but were subsequently abandoned after the homesteader had satisfied the Department that he was performing his residence duties in a proper manner.

Cancellation proceedings were again taken on the 27th of June, 1916, and were again abandoned on the 20th of September, 1916, as the entrant furnished evidence

-in-

in the form of a statutory declaration on form No. 36 that he was complying with the regulations.

The homesteader has executed a number of statutory declarations and his statements are very consistent with reference to his residence duties with the exception that in a declaration dated the 13th of June, 1914, he claims a shack was blown away in June 1912 during a cyclone and that he lived in a tent while building another residence, whereas he claimed in a declaration dated the 25th of July, 1912, that he lived with a neighbour on adjoining land while building his house.

The house was completed by the 1st of July and allowing that he was absent during the time he was building he would still have sufficient residence to count one full term in 1912.

There are two declarations on file dated the 31st of October and the 19th of November, 1912, executed by the entrant showing that he was in residence on his homestead from the 2nd of ~~that month~~ June 1912.

You will observe that he claims residence during the months of November and December and has made a number of different statements establishing his residence in 1912 as shown in his application for patent with the exception, probably, of a few days in June and in the first of the month of July, whereas the Homestead Inspector only credits him with the months of April and May and 25 days in June.

From the evidence on file other than the Inspector's reports it would seem that the entrant has performed his residence in a bona fide manner and declarations have now been forwarded to the Department by Mr. J. W. Martin Inspector of Dominion Land Agencies from Mr. John McMorran and Mr. Stanley M. Ferguson, both claiming to have been residents in the neighbourhood of this land and have known Mr. Harvey since he settled in that part of the country and while not able to give dates they are both satisfied that he has performed six months residence in each year since obtaining entry and when absent from his homestead he has been earning money to support his family and improve his place.

Cancellation proceedings were taken against the pre-emption on the 22nd of June, 1917, and in the absence of any defence the entry was cancelled on the 23rd of August, 1917. It subsequently transpired that the entrant had filed a defence with the Sub-Agent at Empress, who failed to forward the papers to the Dominion Lands Agent, Medicine Hat. On receipt of the defence the Agent was instructed to restore the entry. Subsequently a largely signed petition addressed to the Minister was received asking to have Mr. Harvey reinstated in his entry.

With the exception of the Homestead Inspector's reports the weight of evidence is in favour of the homesteader and would indicate that he complied with the regulations and is entitled to patent for his homestead. On the other hand Homestead Inspector Switzer has made three reports and does not credit the entrant with having

Sir:

I beg to acknowledge the receipt of your communication of the 25th ultimo, reference 11882, enclosing a report from Homestead Inspector Switzer in connection with the Homestead entry of Mr. W. H. Harvey for the S. W. ¼ of Section 18, Township 2[illegible], Range 1, West of the 4th Meridian.

In reply I may say that the document in question has been placed on file here for future reference.

If you find the duties completed but not as set forth in the application for patent, a fresh application may be taken. I am also to ask you to investigate the statements in the Commissioner Inspector's report of the 11th of June, 1917 regarding action on this land sold by one O'Neil, also the statement made by Homestead Inspector Switzer in his report of the 18th of September last to the effect that the entry was rented like land to a Mr. Curtis of Calgary, Alberta.

Could you kindly have that report furnished with as little delay as possible.

Sir:

I beg to acknowledge the receipt of your communication of the 21st ultimo, with enclosures, respecting the residence complied by Mr. A. ... survey in connection with his homestead entry above described.

In reply I would point out that Mr. Survey in his application for patent claimed residence as follows:-

1912, 1 m. February to 27th. May.
27th June to 27th August, 1st November to 1st January, 1913,
1913, 1st May to 27th September,

1915, 11th May to 1st November,
1916, 1st June to 27th November.

In a supplementary statement dated the 4th of March, 1918, he claimed additional residence from the 27th of November to the 11th. of December, 1916, 11th April to 11th of May, 1917, and from the 1st of August to the 1st of November, 1917.

Homestead Inspector Whitney in his report dated the 11th. of June, 1917, credited the entrant with the following residence:-

1st of April to 27th June, 1912,
1st July to 1st September, 1912,
27th March to 27th August, 1914,
1 m. June to 11th October, 1915.

Since receiving your letter, a further report has been received from Homestead Inspector Whitney in which he states that he adheres to his statement as to residence as contained in his report of the 11th. of June, 1917, and adds that the entrant has lived on his homestead from the 1st of December, 1917 to the 11th of September, 1918.

MEMORANDUM:

Mr. Hume,

Application for patent,
Mr. W.H. Harvey,
For his homestead, S.W.¼ of 18-22-1, West 4th M.
Not recommended.
Date of entry, 28th of August, 1911.

Please see the memorandum of Mr. Harris of the 4th of March, last, and your remarks thereon.

A report has been received from Homestead Inspector Switzer and Martin of the Dominion Land Agencies in forwarded the report of Mr. Bannerman states:

> "It would appear that in order to get any definite evidence as to his residence duties, it will be necessary to hold an investigation under oath and it is very doubtful in my mind, whether this evidence could be secured and I do not think the Department would be justified in going to any expense.
>
> "Personally I am aware that Mr. Harvey has had some bad luck and it is hoped his entry will not be disturbed and that if the Department is not satisfied to accept the evidence given to substantiate his claim for a patent for this land, that he will be given an opportunity to produce the evidence or complete any further necessary duties to entitle him to patent."

Mr. Bannerman in his report states that he called upon several parties but could get no one to give him any statement under affidavit but he further states that Mr. J.McNicol of the W.half of Section 7, in the same township, stated that Mr. Harvey had in his opinion performed far in excess of the required residence but not in a manner to count the same in order to allow six months in any one year and that he, Harvey, had lived with him a great deal during the years residence was being carried out. He also interviewed Mr. McAuley, who lives nearby on his land since 1912 and he informed Mr. Bannerman that Harvey was hanging around but could state any definite dates as to residence performed but thought sure that eighteen months had been done since entry was made and give him the patent.

The

The Inspector also stated in regard to the matter of Harvey bargained the land to one, McNeill, that no one is in a position to verify t is statement and it is only supposition on any one's part.

The Inspector also states:

> "In conclusion I might say that the different parties allow him residence from some time in December, 1917, to the early part of September, 1918, although they would give me no statement under affidavit as to actual dates. I am sorry that it was impossible for me to get further information that would be in any way beneficial to the Department. My own opinion is that he, Harvey, may have done his residence since date of entry in some of the years to count for patent, public sentiment seems to be in favour of the homesteader in most cases."

The Agent furnished a Declaration made by Jos. J. Muza, which is as follows:

> "I know Wm. Harvey of the W.½ of 18-22-1 West 4th M. That I have lived on my land since 1912 and continuous since Spring of 1915. That W.Harvey had not in any one year fulfilled six months residence on his land since Spring of 1915, previous to 1915 I am unable to state definately any residence, although I have always heard nothing was done to count, his residence has always been broken periods and hard to count."

term of residence of over nine months and in 1913 and 1914 another term of five months and eleven days. Two shorter terms of residence have also been performed.

If it is decided not to hold an investigation, I would suggest that Mr. Harvey would be given credit for having performed two terms of six months residence, and he be notified that it would be necessary for him to furnish definite evidence of having lived upon the land for another term of six months before his application can be approved.

The other duties appear to be satisfactorily performed.

Respectfully submitted,

M.L.

MEMORANDUM.

S.W.¼ of 19-22-1, W. 4th M.
Homestead of T. L. Harvey.
Entry granted 20th August 1911.

Mr. Harvey has made application for patent claiming the performance of the requisite residence duties, but in view of certain previous evidence on file, it was decided that his statements in this regard could not be accepted as correct.

Homestead Inspector Switzer's report of the 11th of June 1917, marked, did not give the entrant credit for even one term of six months residence.

A full statement of this case is contained in Mr. Harris' memorandum dated the 4th of March last, and when submitting the case for your consideration, I suggested that Mr. J. W. Martin be instructed to go fully into the case and ascertain definitely what residence had been performed.

I also suggested that Mr. Martin should be asked to investigate the statements contained in Homestead Inspector Switzer's report of the 11th of June 1917, regarding an option on this land held by one McNeil. You approved my suggestions.

In a further report dated the 26th of September 1917, Homestead Inspector Switzer set out that he adhered to the statements regarding residence as contained in his report of the 11th of June 1917, but added that since that time Mr. Harvey had lived upon his homestead from about the 1st of December 1917 to about the 15th of September 1918. This further period of residence is shown in blue pencil on form 50 A, marked.

Mr. Martin, in his letter of the 19th instant, says that he thinks it will be very difficult to get definite evidence as to the actual residence performed by Mr. Harvey, and in his opinion, the Department would not be justified in going to any expense.

The reports referred to in Mr. Martin's letter are noted in Mr. Burton's memorandum hereunder.

Judging from the information obtained by Homestead Inspector Switzer, Mr. Harvey has performed one

Sir,

Referring to your application for patent for your homestead, the South west quarter of section 18, Township 71, range 1, west of the 4th Meridian, I beg to inform you that a report has recently been received from a Homestead Inspector which shows that you are not in residence and it is, therefore, inferred that you have performed no additional residence in connection with this quarter section since you made application for patent.

I might state that as you have held entry since August 1911 and as yet have not made a satisfactory application for patent you will, therefore, understand that your right to the land is liable to forfeiture.

You were advised on the 15th August, 1913, that it had been decided that you would be allowed to count the term of residence in connection with your homestead and further that it would be necessary for you to go into occupation and complete a further term of six months residence duties and then appear with your two witnesses before the local Agent or Sub-Agent of Dominion Lands for the purpose of executing a supplementary statement.

To date, you have failed to carry out the instructions contained in the communication above referred to, and unless within thirty days from this date you furnish satisfactory evidence to the aforesaid official that you are then in bona fide residence and that it is your intention to remain there and comply with the conditions on which you secured entry, final action may have to be taken by the Department.

Your pre-emption entry for the North east quarter of section 18, Township 71, range 1, West of the 4th meridian, is also seriously in default and if you desire to retain your entries it will be necessary for you to carry out the instructions contained in the foregoing paragraph.

I beg to acknowledge the receipt of your letter of the 10th instant in reference to the cancellation proceedings entered against your homestead and pre-emption entries for the East half of Section 18, Township [illegible], Range 3, West of the 4th Meridian.

In reply I may say that according to the evidence on file here it would appear that your entries are seriously in default to requisite residence and the Department would be justified in carrying out cancellation, but in view of your representations it has been decided to allow you a final delay until the 15th of November next within which to furnish the Agent of Dominion Lands at Lethbridge, with satisfactory evidence, in the form of statutory declaration, that you have resumed residence on your land with the intention of remaining there and completing the fulfillment duties.

In all such cases, however, the Agent of Dominion Lands in accepting entry should particularly note that the man has not been discharged from the Forces by reason of misconduct.

N B.—Men belonging to or discharged from Forces other than the Canadian Expeditionary Force are not eligible to secure homestead entry in the tract reserved for soldiers, unless they are also eligible for a Soldier grant under the Soldier Settlement Land Regulations.

Further information may be obtained from the Sub-Agent or Secretary of the Local Board. The Agent of Dominion Lands is not a member of the Local Board, but Sub-Agents are [illegible] Secretaries of Local Boards.

Notice is hereby given that no settlement duties will be required to be performed before the issue of patent. According to the law in force at the date of entry the settler will be required to reside upon the land for a period of three years from the date of entry, and to cultivate fifty acres of the land, or substitute therefor, as provided by the Dominion Lands Act.

PAYMENT FOR IMPROVEMENTS.

Before a person is granted entry or reservation he shall declare what improvements, if any, there are upon the land for which he applies and pay to the Agent of Soldier Grants the sum, if any, which he agrees to pay for such improvements. Should he and the settler not agree as to the value of the improvements, the matter will be referred to arbitration.

of Mr. Robb.

If the Agent had followed the usual practice, he would have granted Mr. Taylor entries, the latter being the first in the office, and would then, if he thought necessary, referred the matter to the Department, but as above set out instead of doing this he took cognizance of what had happened outside the office and refused to dispose of the land until the matter had been referred here.

Under the circumstances, a decision is now required as to whether Mr. Taylor should be recognized as having prior claim to this half-section, or whether the land should be reposted as suggested by the Agent, and right of re-entry extended to the first applicant regardless of whether such first applicant should happen to be Mr. Taylor or Mr. Robb, or some other person.

MEMORANDUM.

Re W.½ 18--22--1, W4th M.

The Deputy Minister has asked for a report in regard to the Agent's action in withholding entries for the land above described. Deputy Minister's reference 2446.

The Agent at Lethbridge posted the above half-section as being available for entry by a "Settler" as defined by the Soldier Settlement Act on the 29th December, 1920.

It appears that on the day mentioned two men, i.e., Mr. B.R. Robb and Mr. J.M. Taylor, were desirous of obtaining entries for this parcel, probably as a homestead and a Soldier Grant, but owing to a complication which occurred the Agent refused to grant entry to either of them and referred the matter to the Department for consideration.

The facts appear to be that Mr. Taylor hired a man named Eaglesome, to hold a position for him at the outside office door; that Mr. Robb took Eaglesome's place either by force or by Eaglesome momentarily vacating, and that on Mr. Taylor lodging a protest the Chief of Police removed Mr. Robb and placed Mr. Eaglesome in first position, Mr. Taylor subsequently replacing the latter and being first in position when the door was opened by the Agent.

According to the Agent's own statement Mr. Taylor was in first place when he opened the door and, under the regulations, he should have allowed Mr. Taylor to enter and given him first opportunity of making entries for the land in question.

The Agent, however, was evidently advised by Mr. Robb of what had transpired outside the door, and he evidently allowed his action to be governed by what took place, notwithstanding the fact that it has always been the practice of the Department to ignore any action that takes place outside the office, and to recognize the first person to enter the office as being the one entitled to first choice.

Mr. Nelson Spencer, M.P.P., has written the Minister on behalf of Mr. Taylor, while Mr. M.S. McArthur of Lethbridge, has written the Deputy Minister on behalf

of

[illegible] inquiry and further information at your office or to the office of the Department at Regina. The cost of the advertisement shall not be excessive and the number of insertions should be limited to two or three, as may be considered advisable by you.

The accounts for the advertising should be rendered to you, and duly certified and forwarded to the Department for payment.

Your obedient servant,

Assistant Secretary.

P.S.- It might be explained that the Soldier Settlement Board has agreed to relinquish this half-section from the existing general reservation for soldier settlement in order that this Department may dispose of the land. Re T. & 13-22-1- [redacted] 4th M.

This half-section is to be offered for sale by public auction on the 15th March next, at the Dominion Lands office at Lethbridge, in accordance with the Acting Deputy Minister's memorandum of the 13th January last, marked.

The necessary instructions were furnished the Agent of Dominion Lands at Lethbridge on the 26th January, and in connection therewith the Agent was instructed to insert an advertisement in two newspapers published in the vicinity of the land.

Under date of the 4th instant the Agent, in forwarding the usual printed notice of the proposed auction sale, writes as follows;-

> "There is only one newspaper in which, in my opinion, it will be necessary to insert an advertisement i.e., the Empress Express, and I have prepared a small notice to be carried in that paper in the issues which appear during the weeks ending the 12th and 19th instant."

However, in addition to this advertisement, notices of the sale were sent thirteen post offices, besides the sub-agents at Medicine Hat and Empress, and to Mrs. Harvey and others, and I presume, under these circumstances, the proposed sale has been given the necessary publicity. Although the Agent did not comply fully with instructions in not inserting an advertisement in two newspapers, I take it he has discretionary power in a matter of this kind, and that his judgment may be depended upon in view of his knowledge of local affairs.

There is one point in connection with the terms of sale which I think should be brought to his attention. In this connection the poster reads as follows;-

> "The terms of sale shall be one fourth of the purchase price in cash at the date of sale and the remainder in three equal annual instalments. If instalments are not paid on the date at which they become due, they will be treated as arrears, and interest will be charged at 7 per cent per annum until date of payment."

I am to acknowledge your letter of the 4th February last, enclosing notice of the proposed sale at public auction on the 10th instant of the half-section, above mentioned, and in reply to say the action you have taken with a view to giving the sale publicity would appear to be satisfactory under the circumstances.

I am to point out, however, that in connection with the terms of sale it will be necessary for you to notify the purchaser, or purchasers, as the case may be, that interest at the rate of six per cent will be charged on the annual instalments, whereas in the case of overdue instalments the rate of interest will be increased to seven per cent per annum.

With reference to the sale at public auction of the quarter-section, above mentioned, to Mr. Neil McNeill at five dollars per acre, on account of which two hundred dollars cash has been paid, I am to say that if a Homestead Inspector has not already been instructed to report with reference to the improvements, the necessary action with this end in view should be promptly taken.

Sold by auction.

In reply to your memo of the 22nd, I beg to say that it was always my understanding that where land is sold at auction and there is a sum owing the Department for seed grain advanced to a former holder of such land, the practice would be to recoup the seed grain appropriation out of the amount collected for the purchase price of the land. From my knowledge of the discussion which took place in 1916 at the time the policy was adopted of making the indebtedness follow the land, I am satisfied that this was the intention.

In the present case the land was sold by auction because of the difficulty which arose as to priority of entry but it seems to me that the same principles should apply, that is to say, the amount owing for seed grain should be defrayed out of the sum collected on account of the purchase price of the land.

With reference to your memorandum hereunder, addressed to Mr. Hume on the 9th instant, and Mr. Hume's memorandum addressed to me on the 10th instant, re the above, I may say that I am of the same opinion as Mr. Hume, that the amount paid by Messrs. Will you therefore kindly have the necessary action taken to complete the transfer of this amount.

I am sending you these files as you will observe that no action has yet been taken on your memo to Mr. N. J. Coté of the 13th November last. Your understanding and mine were in agreement as to what should be done in this case, namely, that as the land was sold by auction, the Seed Grain indebtedness should be defrayed out of the purchase price. However, in conversation with Mr. Harvie I understand there may be objections to this procedure and so my only object in taking the matter up was to assist you. I think it would be advisable to make you aware of the attitude of the Deputy Minister's office before any further steps are taken. Mr. Harvie thinks it should be sufficient to show this indebtedness outstanding against the original lienor with a note in your books that the land has been sold by auction and an amount realized more than sufficient to retire the indebtedness.

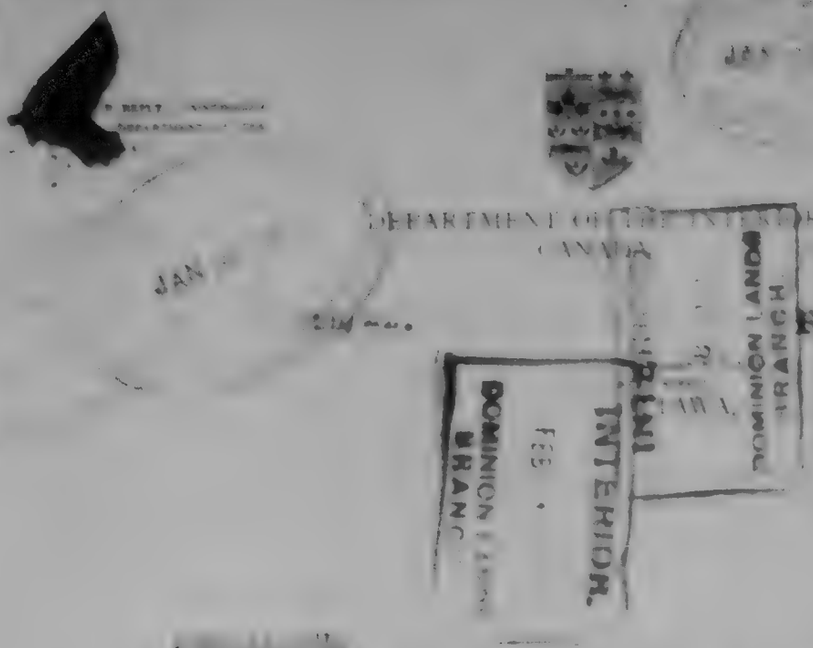

Dominion Lands Branch.

the original debtor was responsible for the payment of the account, and it could not, therefore, be cleared on payment from another party. While it is always the policy for the Department to collect where possible from the original debtor, and hold all payments made by other parties as "green entries", thus releasing only the land to clear which the payment was made, the chances of collection from the original debtor, where there is no other land held as security are very remote. I would recommend that in all cases where land against which there is seed grain indebtedness is put up for auction, an amount sufficient to liquidate the indebtedness be transferred to seed grain, to be held until such time as collection can be made from the original [illegible]. Also that this matter be taken up with Mr. Little while in the city, as Mr. Little states he has recommended the sale of several quarter sections next summer, with a view to taking care of the seed grain indebtedness.

Respectfully submitted,

William F. Harvey formerly held entry for the above described land as homestead and pre-emption, and in 1[illegible]15 encumbered the land for seed grain to the amount of $[illegible]81.32. He left the land and it was cancelled, all communications addressed to him having been returned uncalled for. This has raised the question as to whether, in the case of sale by auction, a sufficient amount should be transferred to apply on the seed grain indebtedness to liquidate same. Re-S.W.¼ 12-11-1-W. 4th M.

I am directed to acknowledge your letter of the 11th ultimo, in further reference to your desire for compensation in the matter of material supplied to Wm. T. Harvey for the erection of a building on his former homestead the land above described.

In this connection I am to inform you that when an entry is cancelled the improvements on the land immediately become the property of the Crown and the Department in its discretion reserves to itself the right to refund any moneys collected on account thereof; furthermore it has recently been decided that moneys derived from the sale of this land cannot be applied to liquidate the outstanding Seed Grain Account.

Mr. Harvey was given an advance of Seed Grain on the security of his former Homestead and when cancellation of his entry was carried out, the account remained a charge against the land and in accordance with the practice of the Department the value of the improvements are collected from the re-entrant and transferred to the credit of the former entrant's Seed Grain account. Under the circumstances it is presumed that there are no moneys available for refund.

S.½ 18-22-1 W.4th M.

The Agent of Dominion Lands at Lethbridge was authorized on the 26th January, 1921, to sell the above quarter section and the adjoining quarter (N.W.¼ 18) at auction at an upset price of five dollars per acre.

The Agent reported, 11th March, 1921, that the S.W.¼ of Section 18, had been purchased by Mr. Alexander F. McNeill at $5.00 per acre. Mr. McNeill paid the sum of $200.00 on account.

Inspector Mayberry reported in August, 1921, that there was a dwelling house on the land valued at $100.00. The purchaser was called upon to pay for the improvements and did so in January, 1922. The amount collected for improvements was placed to the credit of the Seed Grain account of the former entrant.

The purchaser has now written the Department asking why he did not receive credit for the sum of $100. paid for improvements in connection with the purchase of the land; he stated that [redacted] there was nothing in the Bills of Sale or at the time of the sale, that the improvements were to be paid for in addition to the price bid on the land and that when under ordinary circumstances land is purchased, the purchase price always includes the value of the improvements. He contends that he is entitled to credit on the purchase price for the sum of $100.00 which he paid for improvements.

Please advise whether Mr. McNeill's claim to credit in connection with the purchase price for all the moneys paid should receive consideration in view of the failure of the advertisement respecting the sale to contain a statement that the improvements on the land must be paid for in addition to the price bid per acre.

Re - A. F. McNeill
S. W. 18-22-1 W 4

Please see Ref. #5021194 wherein Mr. A. F. McNeill protests the registration of a lien for $451.38 against this land. The lien in question was made by W. H. Harvey (the former entrant) on the security of the land.

From perusal of memorandum of 17th January, 1922, it will be noted that A. F. McNeill acquired this land through auction at an upset price of $5.00 per acre, and the question was therein raised as to the liquidation of the said lien by the purchaser (Mr. McNeill).

Under date of 18th January, 1922, the Deputy Minister ruled that the lienor must be held for the indebtedness.

Following your inquiry of 18th November last re issue of patent to A. F. McNeill, the lien was inadvertently shown in statement from this office.

The matter is, therefore, referred to you for further action.

I am in receipt of your letter of the 23rd ultimo forwarding report made by Homestead Inspector Lawyer, which states that Mr. Harvey moved to Ontario some two years ago and has since died, and that he left no estate or assets of any value.

Re: Account of W.H. Harvey
S.W. 18-...-1-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1918 seed grain amounting to $451.32 was advanced to W.H. Harvey on the security of the above mentioned land. A payment of $100.00 was received in 192.2 and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
		$ 1,096.71
$ 437.17	$ 659.54	

The S.W. 18-22-1-W4 was formerly the homestead entry of the debtor whose entry was cancelled on the 11th of November 192.0. The land was later re-entered upon by a Mr. Alexander F. McNeill to whom patent was issued on the 19th of November 19.5 subject to t e 1918 lien.

On the 3rd of May 1926 after representations by the registered owner, authority was issued releasing the land as security for the lien. The balance of the indebtedness has since remained as a charge against the lienee under his personal covenant.

The whereabouts of the original debtor is unknown and it is considered that there is no possibility of collection.

As the lien is no longer registered against the land and there is no further security, it is recommended that the balance of the indebtedness be cancelled.

Dear Sir:

Re: S.W. 1-25-1-W4

This Department has an old account against the above noted land for advances of Seed Grain to R.H. Booker in 1919 and 1920.

As we believe that this is Crown Land, we should like to be advised of its present standing and whether it is likely ever to be used again for farming purposes.

Yours very truly,

In reply to your letter of the 22nd ultimo, I wish to advise you that according to the records of this Department, the above described land is held under Cultivation and Grazing Lease by Robert E. Booker, of EMPRESS, Alberta. This lease expired on the 31st of December, last, and a new lease is being issued in Mr. Booker's favour.

The above land is outside of the homestead lease area, and there is no provision under the Cultivation Lease Regulations, whereby the lessee may obtain Title to the land.

Re: Account of R.H. Booker
S.W. 1-25-1-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 and 1920 seed grain amounting to $146.00 was advanced to R.H. Booker on the security of the above mentioned land. Payments of $50.00 and $50.00 were received in 1924 and 1926, respectively, and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 96.00	$ 183.38	$ 279.38

The S.W. 1-25-1-W4 was formerly the pre-emption of the debtor whose entry was cancelled and is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 22nd of January 1952, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"In reply to your letter of the 22nd ultimo, I wish to advise you that according to the records of this Department, the above described land is held under Cultivation and Grazing Lease by Robert H. Booker, of EMPRESS, Alberta. This lease expired on the 31st of December, last, and a new lease is being issued in Mr. Booker's favour.

The above land is outside of the homestead lease area, and there is no provision under the Cultivation Lease Regulations, whereby the lessee may obtain Title to the Land."

As the land no longer offers any security of value and is such that the Province does not expect to dispose of the land for homestead purposes, it is recommended that the indebtedness be cancelled.

C.W. Gilchrist.
